Head Teacher : Douglas Watt

1 April 2020

Dear Parent / Carer

I would like to take this opportunity to introduce myself as the new Head Teacher of Northfield Academy. May I begin by thanking Mr Craig (Depute Head Teacher) for his hard work and commitment as Acting Head Teacher prior to my arrival.

We find ourselves operating a virtual school campus due to COVID-19 and it will take me a little longer to get to know the pupils and yourselves as a result. I very much look forward to meeting with you when we do open our doors again.

In the meantime, I am working with staff on how we continue to engage your child in their learning. Since taking up the post, I have been highly impressed by the dedication of all staff and their commitment to providing digital learning experiences for our young people during this challenging period.

Moving forward, I will be providing you with a weekly update on key issues. For the moment, this will be one way of starting and maintaining communication with you.

Yours sincerely,

Douglas Watt
Head Teacher
