Dear Parent/Carer

I write to inform you of some key updates:

School Based Police Officer

We welcomed our new school based Police Officer PC Coutts to join the team here at Northfield Academy this week and say farewell to PC Minty. I would like to take this opportunity to formally thank PC Minty for all of his hard work over the last few years and wish him well with his new posting.

CCTV System Upgrade

Work to upgrade our CCTV system in school begins on Monday 21st September and as well as improving the general capabilities, all of the previous "blackspots" around fire alarm points will now be closely monitored. This will ensure that we have appropriate evidence to challenge and prosecute any future malicious alarm raising.

SQA Update 2021 Examination Diet

As yet, the SQA have not confirmed the position regarding young people being presented for exams in May 2021. As soon as I am in receipt of this information, I will issue this information to you.

September Holiday Weekend

I draw your attention to the upcoming holiday weekend on Friday 25th September and Monday 28th September inclusive. I am sure all of our pupils and teachers will welcome the chance to recharge their batteries!

Yours sincerely,

Douglas Watt
Head Teacher
