Dear Parent/Carer

I am writing to update you on some pieces of whole school information:

### **Wearing of masks**

As per the recent Scottish Government guidelines, all pupils are expected to wear masks when navigating around the school in communal areas. Please can you ensure that your child comes to school with their own mask, as these are essential to mitigate against the transmission of Covid virus. For those pupils who forget to bring a mask with them, we have a stock of machine washable masks stored in the general office.

### **Skills Development Scotland**

I am pleased to inform you that our school based advisors from Skills Development Scotland will be resuming their in-school provision from Monday 14<sup>th</sup> September to enable pupils to plan their learner pathways beyond school along with work experience opportunities. This will be by appointment only initially and pupils can make an appointment through their Guidance Teacher.

Yours sincerely,

Douglas Watt  
Head Teacher
