\* The INEOS MA posts will commence in Summer 2022.

Cameron Millar from INEOS [cameron.millar@ineos.com](mailto:cameron.millar@ineos.com) is also happy to talk to any interested young people about this opportunity.

KEMNAY GOLF CLUB EST. 1908

Monymusk Road, Kemnay, Aberdeenshire, AB51 5RA

Telephone: (01467) 642225

### **APPRENTICE GREENKEEPER**

Kemnay Golf Club are looking to recruit an Apprentice Golf Greenkeeper to assist in the day to day set up and maintenance of the course, all the related practice facilities and planted areas. This is a fantastic opportunity for anyone with a keen interest in golf and greenkeeping.

The role is varied and would include:

- Cutting greens and fairways
- Top dressing and treating turf
- Renovating and maintaining bunkers
- Maintaining practice area
- General maintenance work.

Our ideal candidate would live locally, be keen to learn, hardworking, reliable and have some interest in greenkeeping. Being a golfer would be advantageous but not essential.

Hours of work are 40 hours per week, typically between 6am and 2pm in the summer, with some weekend work required. You will be paid the national minimum wage dependent on age; this will be reviewed throughout the apprenticeship and may be increased depending on progress and progression.

You will be expected to work towards a Level 2 Golf Greenkeeping Apprenticeship, this will take 24 months to complete. This is a work based programme using blended learning technologies delivered by Elmwood College.

Applications for this vacancy should be sent to [administrator@kemnaygolfclub.co.uk](mailto:administrator@kemnaygolfclub.co.uk).

Closing date for applications 28th February 2022.

Email: [administrator@kemnaygolfclub.co.uk](mailto:administrator@kemnaygolfclub.co.uk) Web Site: [www.kemnaygolfclub.co.uk](http://www.kemnaygolfclub.co.uk)

### Aspire – Webinars - [www.aspire.upreach.org.uk/live-webinars](http://www.aspire.upreach.org.uk/live-webinars)

Each webinar will include a panel of volunteers who work in these sectors, allowing students to ask questions of those in careers they may never have not heard of before.

28th Apr - How to Get Work Experience Over Summer (5:00-6:00pm)

14th Jun - Choosing the Right University for You (5:00-6:00pm)

STEM Webinars – list below:-

## STEM Industry in the North Professional Learning 2021-22

STEM is a key part of the economy across the Northern Alliance and equally STEM skills and knowledge helps us all make sense of the world around us.

This series of webinars will focus on STEM Industry in the North. We will hear from regional employers in key STEM sectors about their jobs, the skills involved, pathways including apprenticeships and future direction of the industry.

Sessions run from 5-6pm on the following dates.  
Please click on webinar title to sign up via EventBrite:

Wed 17 November 2021: [STEM Industry in the North](#)

Wed 8 December 2021: [Aquaculture](#)

Wed 26 January 2022: [Energy](#)

Wed 23 February 2022: [Agriculture](#)

Wed 23 March 2022: [Forestry](#)

Wed 27 April 2022: [Technologies](#)

Wed 18 May 2022: [Life and Chemical Sciences](#)

Wed 8 June 2022: [Food and Drink](#)

This series is aimed at primary and secondary teachers, DYW Coordinators and interested parents. It has been developed and will be delivered in partnership with Education Scotland, Highland & Islands Enterprise, Science Skills Academy and SSERC STEM Ambassador Hub Scotland.

### Cyber Scotland Week Events

| Event   | Who                     | Date                  |
|---|-------------------------|-----------------------|
| The purpose of this workshop is to increase participation in Capture The Flag (CTF) events by removing the 'fear factor' and providing a clear understanding of what to expect when attending a CTF for the first time. | RGU School of Computing | 1 <sup>st</sup> March |

|  |  |  |
|--|--|--|
| <p>The workshop will be delivered by Robert Gordon University and is sponsored by the Scottish Informatics and Computer Science Alliance (SICSA). It is primarily aimed at students studying for a computing-related degree in Scotland but is also open to the general public. Specifically, those who would like to learn more about a career in Cybersecurity or are interested in attending a CTF event in the future.</p> |  |  |

RGU – Art School

Looking to strengthen your Art School portfolio?

Here at Robert Gordon University, we have teamed up with Gray's School of Art and the Mobile Art School to bring you two online Portfolio Support Sessions.

Whether you're applying to Gray's or a different Art School, we would like to invite you to join our online session, so you can be at the top of your game when you submit your digital portfolio!→

## ACES Portfolio Sessions

In these sessions, we will look at top tips to make a successful portfolio, what to avoid and what to think about when talking about your work. Each session will be delivered by Gray's School of Art lecturers. If you have any questions or worries, you can come and chat with us live! If you miss out on an on-campus place, live outside the Aberdeen City and Aberdeenshire region, or prefer to join from home, don't worry, you can join us live through Microsoft Teams.

To register, sign up [here](#) or scan the QR code.

### Session One -

Monday 7<sup>th</sup> February 2022

16:30 – Live Session hosted on MS Teams and limited on-campus delivery

### Session Two –

Tuesday 8<sup>th</sup> February 2022

16:30 – Live Session hosted on MS Teams and limited on-campus delivery
