Head Teacher: Mr Douglas Watt

29/6/22

Dear Parent / Carer,

After a year of many changes and a return to a degree of normality after Covid, I write with some updates and information before we break up for our summer holidays.

ABZ Campus

In June 2023 we are launching a new range of courses across our secondary schools. Our new courses aim to boost skills and align with our fastest growing industries in the North East of Scotland. To find out more please visit the ACC employability website: www.abzworks.co.uk

Recruitment

I am pleased to report that as a school, we have been working very hard on recruitment over the last term and we move into the summer holidays fully staffed. We look forward to welcoming our new teaching and support staff in August.

Water Safety

With the summer break for schools starting from Friday 1st July, we will hopefully experience some warmer weather. This may encourage our children and young people to be in the water. The below are some safety messages that should be shared with our young people.

<https://aberdeencitycouncil0365.sharepoint.com/sites/Network-EducationAberdeen/SitePages/Water-Safety-2022.aspx>

I would like to take this opportunity to wish you all a restful and relaxing summer break, and to thank you for your continuing support. I look forward to welcoming our pupils back in August.

Yours sincerely,

Douglas Watt
Head Teacher

Aspire to be outstanding
