MUSIC NOTES

This week at Northfield Academy, we have been holding interviews for the Artist in Residence project that is happening later on in term 4. Artists from all over the UK have been applying to work at Northfield Academy and run a creative project which is really exciting. To help us with the interviews we had a small group of students taking part in the interviews, helping us short-list the candidates as well as asking challenging questions in interview!

We have interviewed artists, dancers, musicians... all sorts of creative people. Thank you for your help this week and we'll share who was selected in next week's newsletter.
