**Aspire to be Outstanding!**

Miss Aitken and Miss Jamieson's S3 classes have been working hard learning about Van Gogh's painting techniques. Here is Rhys E's take on Starry Night. Well done!

## **THIS WEEK IN SCIENCE**

S3 Biologists have been learning about micro-organisms and how they can be useful as well as harmful. We sampled a few areas of the school to culture the micro-organisms. Some areas of the school had larger colonies than the others!

## **CLASSROOM DESIGN PROJECT**

A group of pupils from S1-S3 have just started work on an exciting new project looking at our learning environments. They have started looking at what the essential elements of a classroom are, the best seating layouts for all pupils, and the colours and displays used on our classroom walls.

They have already come up with some great ideas to incorporate into our classroom makeover, and we are looking forward to updating you on our progress as it happens.

### **THIS WEEK IN ENGLISH**

1S1 pupils have been reading the play 'Harry Potter and The Cursed Child' over the last few weeks. All students have shown excellent reading ability and have been active and respectful listeners. 1S1 have thoroughly enjoyed taking on the roles of multiple characters and have engaged extremely well with the complexities of the text. In English we are fostering a love for Literature and inspiring creative minds.
